Summer Excessive Heat Conditions Preparation:

The California Governor's Office of Emergency Services (Cal OES), in partnership with the National Weather Service, is closely monitoring potential excessive heat conditions that will warrant activation of Phase II/III of the state's Extreme Temperature Response Plan. Please review your local response plan in preparation for an extreme heat event as we enter the summer months.

PG&E Public Safety Power Shutoff (PSPS) & Wildfire Full Scale Exercise

In preparation for the upcoming PSPS season, Cal OES is participating in the PG&E Public Safety Power Shutoff (PSPS) & Wildfire Full Scale Exercise the week of June 13-17, 2022. PSPS notifications will be made to existing key agency partners during the exercise period to test the notification method and capabilities. No action is required for the recipient. There are external agencies actively participating in the exercise at various levels in addition to a large number of operational areas and agencies observing.
